

Biographic, demographic, and scientific, and employment diversity in governance is an overarching goal of the Federation, and FASEB encourages leadership nominations who represent this diversity.

The **President-Elect** shall be elected annually by the Board from directors and officers currently serving on the Board and those who have served on the Board within the prior two (2) years.

The **Vice President-Elect for Science Policy** shall be elected annually by the Board from those directors serving on the Board and those who have served on the Board within the prior two (2) years and current members of the Science Policy.

Two **Executive Committee Representatives** shall be elected annually by the Board from those directors who will serve on the Board in the upcoming year beginning July 1.

Early Career Representatives are not eligible to run for an Officer position.

No individual shall serve more than one term in the same /Officer position. No individual shall serve in two Officer positions simultaneously. (FASEB bylaws Article V, Section 3).
